fortsts@gmail.com • 646-696-5276 • 41-16 76th St, Queens, NY 11373

Experience

Veritex Studio / Freelance 3D artist

06/2017 - Present, PA

- Work closely with teammates from other departments to make 3D assets and environment to be as compelling as they can be.
- Generate hard surface and organic modular props and add iteration to minimize repetition.

DG Interactive / Intern and CG generalist

06/2016 - 02/2017, New York

- Tasks included conceptualizing environment plan, creating realistic 3D assets, texturing, lighting, animation, and making character rigs.
- Retopologized high-poly models and generated clean, new low-poly models.
- Generated clean UV maps and PBR textures.

Sany Realty Group / Graphic Designer

10/2015 - 01/2016, New York

- Used Illustrator to create real estate ads and boosted click rates to 15%.
- Designed professional Power Point Slides for presentation.

The Art School / Instructor

05/2013 - 02/2014, Taipei

- Facilitated students during the preparation for art programs in college.
- Created daily lesson plan for drawing and watercolor painting classes.
